ACQUISITION OF EQUITY INTERESTS IN COMPANIES GOVERNED BY BOOK II OF THE FRENCH COMMERCIAL CODE

Book II of the French Commercial Code contains the provisions governing commercial companies and economic interest groups. Article L.212-7-1 of the French Mutual Insurance Code also states that "equity interest means the direct or indirect holding of at least 20% of the voting rights or capital of a company".

CREATION OF A VAT GROUP

France's 2021 Finance Act introduced the VAT Group regime (governed by Article 256 C of the French General Tax Code) with effect from 1 January 2023.

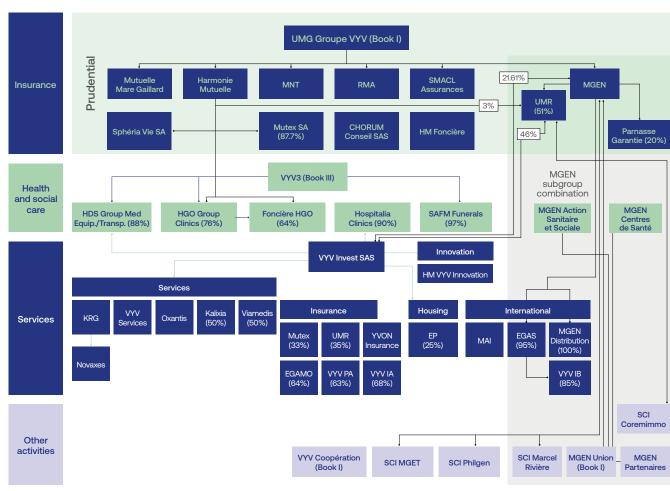

A VAT group is a group where the flows between the entities comprising it are eligible for VAT exemption with the following characteristics:

- The entities in the VAT group must be taxable persons subject to VAT established in France with financial, economic and organisational ties;
- An entity may only be a member of one VAT group (single taxable person):
- Once set up, the minimum period for a VAT group is three years: no late entries or early exits are permitted, except for "natural" entries and exits:
- The VAT group regime is optional (this option must be chosen by 31 October 2022 at the latest for 1 January 2023);
- Within the VAT group, the entities no longer file their returns themselves. These are now filed by the head of the group.

In October 2022, as the head of the group, UMG Groupe VYV became the single taxable person (STP) and provided the tax authorities with a list of the 109 entities falling within the scope of the VAT group from 1 January 2023. As the single taxable person, UMG Groupe VYV has fulfilled all VAT obligations and has paid the VAT owed since this date.

At the meeting of the Board of Directors on 13 September 2022, MGEN Union was approved for membership of the VAT group and became a member via the signing of an agreement with UMG Groupe VYV, with effect from 1 January 2023. As required, this agreement covers a period of three calendar years and will be tacitly renewed at the end of the mandatory three-year period.

FINANCIAL TRANSFERS BETWEEN MUTUALS AND UNIONS

The MGEN Group's simplification project to combine the three book II mutual insurers into a single entity came to fruition in 2023.

These mergers resulted in the following transactions:

- Transfer of net assets from MGEN Vie to MGEN:
- Transfer of net assets from MGEN Filia to MGEN (except for its portfolio transferred to RMA).

AMOUNT AND ALLOCATION OF PROFIT SHARING

For 2023, the amount of profit sharing came to €241k.

ACQUISITION OF EQUITY INTERESTS IN COMPANIES GOVERNED BY BOOK II OF THE FRENCH COMMERCIAL CODE

Book II of the French Commercial Code contains the provisions governing commercial companies and economic interest groups. Article L.212-7-1 of the French Mutual Insurance Code also states that "equity interest means the direct or indirect holding of at least 20% of the voting rights or capital of a company".

In view of these criteria, MGEN acquired equity interests in the following companies during the 2023 financial year:

- UMR SA for 51% of its capital:
- MGEN Distribution (formerly Europamut) for 100% of its capital;
- HEALTHCASE Services for 75% of its capital;
- Creation by MGEN, as sole shareholder, of MGEN Portugal SA with its registered office in Lisbon.

NON-FINANCIAL PERFORMANCE STATEMENT

This information is included in the Non-Financial Performance Statement (NFPS) drawn up by UMG VYV as the head of the group.

CREATION OF A VAT GROUP

France's 2021 Finance Act introduced the VAT Group regime (governed by Article 256 C of the French General Tax Code) with effect from 1 January 2023.

A VAT group is a group where the flows between the entities comprising it are eligible for VAT exemption with the following characteristics:

- The entities in the VAT group must be taxable persons subject to VAT established in France with financial, economic and organisational ties;
- An entity may only be a member of one VAT group (single taxable person);
- Once set up, the minimum period for a VAT group is three years: no late entries or early exits are permitted, except for "natural" entries and exits;
- The VAT group regime is optional (this option must be chosen by 31 October 2022 at the latest for 1 January 2023);
- Within the VAT group, the entities no longer file their returns themselves. These are now filed by the head of the group.

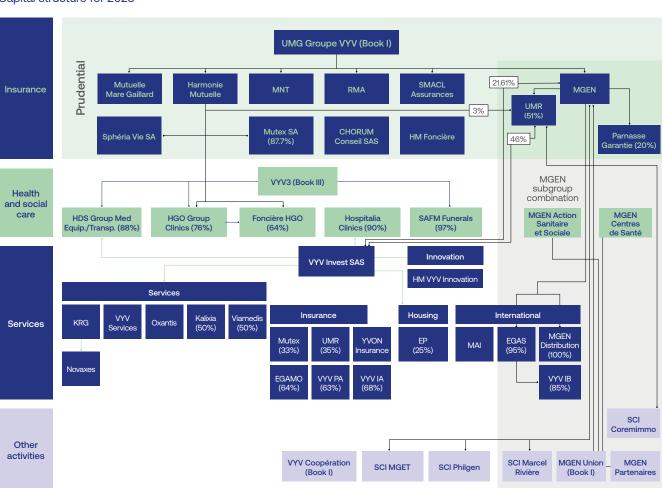

In October 2022, as the head of the group, UMG Groupe VYV became the single taxable person (STP) and provided the tax authorities with a list of the 109 entities falling within the scope of the VAT group from 1 January 2023. As the single taxable person, UMG Groupe VYV has fulfilled all VAT obligations and has paid the VAT owed since this date.

At the meeting of the Board of Directors on 13 September 2022, MGEN was approved for membership of the VAT group and became a member via the signing of an agreement with UMG Groupe VYV, with effect from 1 January 2023. As required, this agreement covers a period of three calendar years and will be tacitly renewed at the end of the mandatory three-year period.
